3. LEAD CREDIT WALLET & 100% ROLLOVER GUARANTEE CORE MECHANISM

📌 "हर PLAN में LEAD CREDIT देंगे + UNUSED CREDIT NEXT MONTH FORWARD HOGA"

Why Vendors Subscribe Eagerly: Vendors do not perceive this as an overhead software fee. Almost the entire subscription price is returned directly as usable Lead Credits in their BizReels Wallet!

- **Flagship Example (₹1,599/mo Plan):** Vendor pays ₹1,599/mo. BizReels immediately credits ₹1,099 into their wallet! That unlocks up to 549 WhatsApp Leads (at ₹2) OR 219 Direct Calls (at ₹5) OR 2,198 Chats (at ₹0.50)!
- **100% Rollover Rule:** If a vendor uses ₹650 this month, the remaining ₹449 NEVER expires. It forwards automatically into next month's balance upon renewal.
